Wordwall learning environment

Wordwall works directly in a web browser and can be used on any device. Learners access activities easily through shared links, both in class and at home.

Easy as 1-2-3

Create a customized resource with just a few words and a few clicks.

- 1**  Pick a template.
- 2**  Enter your content.
- 3**  Play your activity on any device, or print it.

Creating activities

Teachers create activities using ready-made templates such as quizzes, matching tasks, anagrams, and word games. Content can be prepared quickly with minimal technical skills.

Create Activity

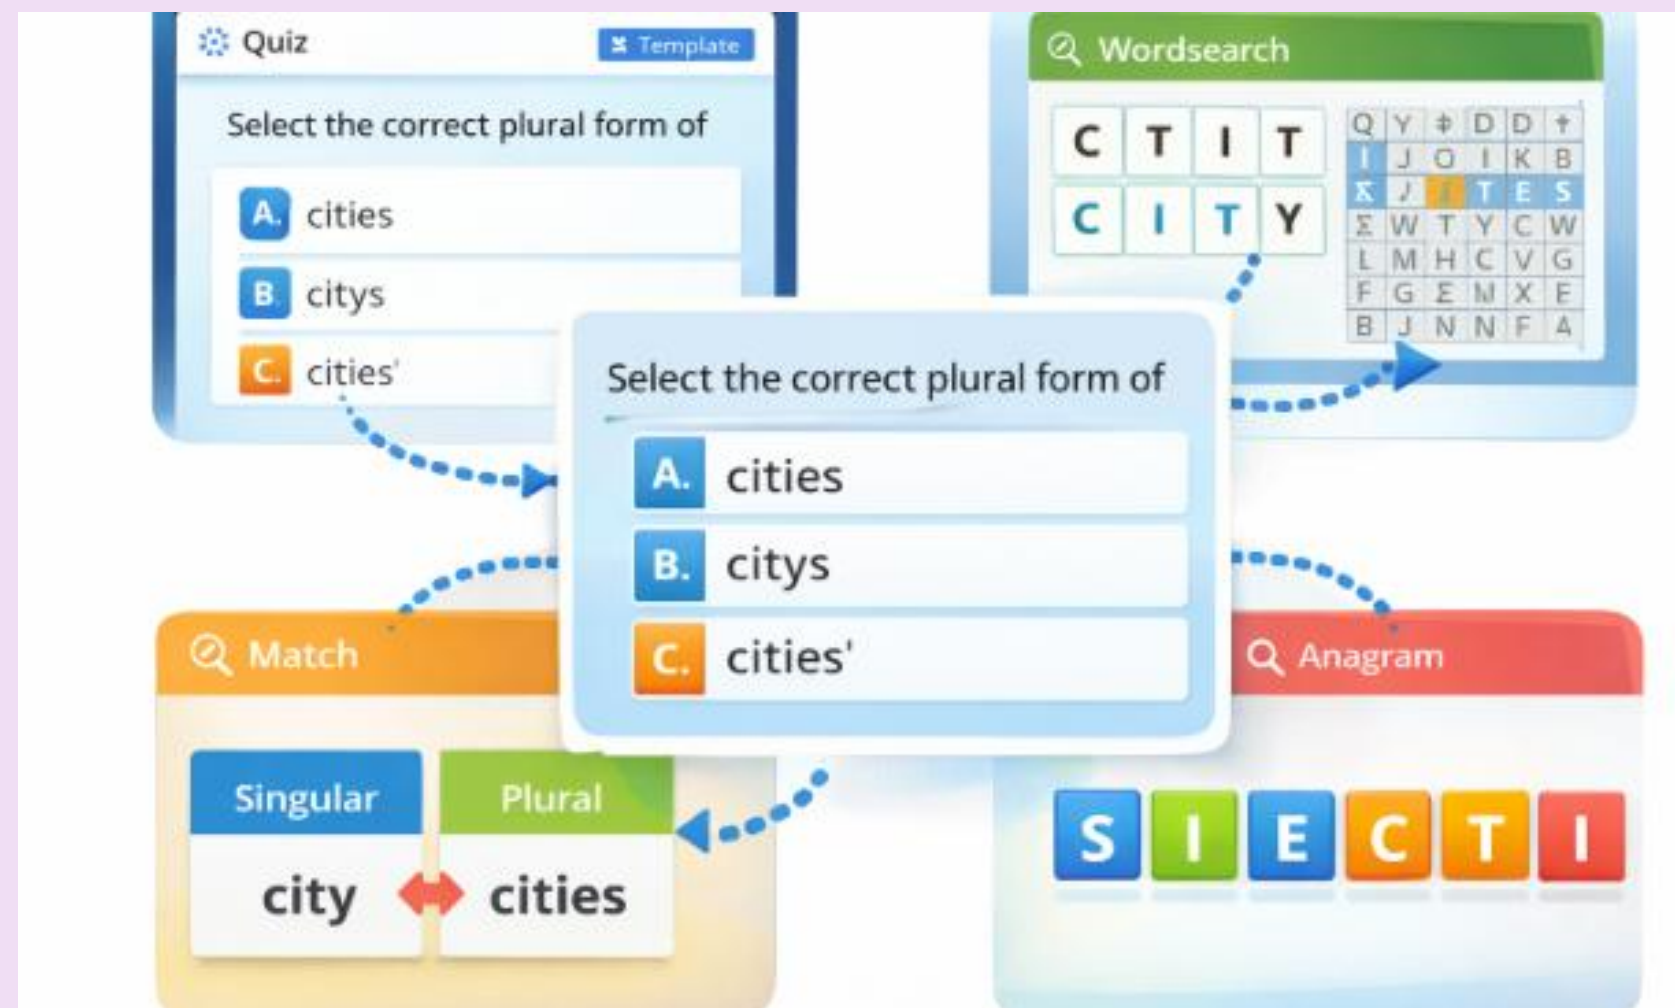

Pick a template > Enter content > Play

Standard templates

	Anagram Drag the letters into their correct positions to unscramble the word or phrase.		Spin the wheel Spin the wheel to see which item comes up next.
	Unjumble Drag and drop words to rearrange each sentence into its correct order.		Matching pairs Tap a pair of tiles at a time to reveal if they are a match.

Reusable content

One set of questions or words can be reused across different templates. This allows fast adaptation for vocabulary, grammar, and English for Specific Purposes topics.

Interactive and printable practice

Wordwall offers both interactive exercises and printable worksheets. This makes it suitable for blended learning and for learners with limited internet access.

Learner interaction

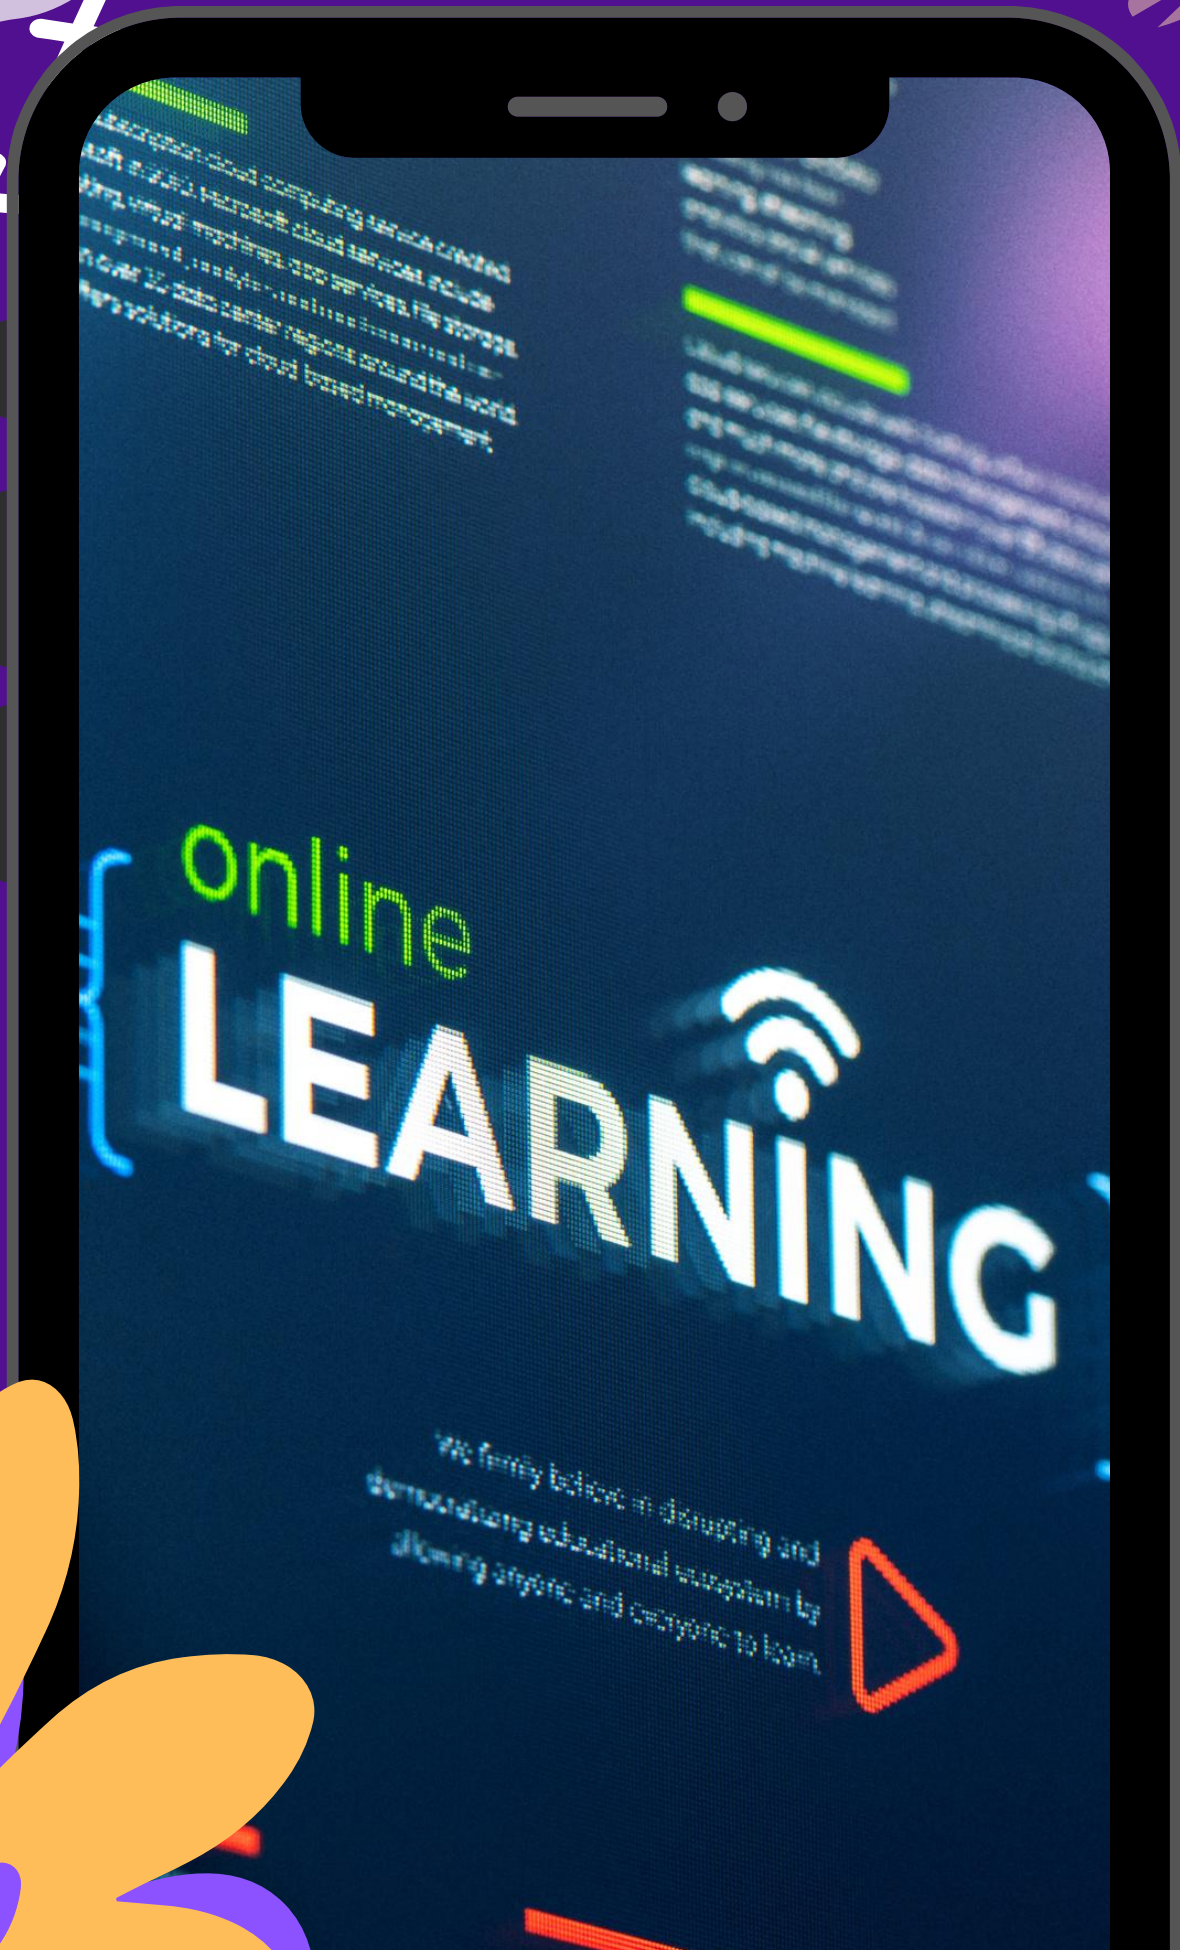

Learners complete activities independently or in class. Immediate feedback supports self-correction and reinforces learning through repetition.

Use in Teaching English as a Foreign Language

In Teaching English as a Foreign Language, Wordwall is used for vocabulary building, warm-up activities, revision, and homework tasks, supporting regular practice and learner engagement in adult education.
